**RELEASE AND WAIVER OF LIABILITY
ASSUMPTION OF RISK, AND INDEMNITY**

I understand that, as a participant or the legal guardian of a participant, that the practice of any martial art, including those taught during Aikido classes, requires physical contact and that there is a possibility that injuries, including serious injuries and even death, may occur. I recognize that I am personally assuming all of the risk of such injuries, on my own behalf and/or on behalf of my child/children/ward(s). Furthermore, I release and fully indemnify The Aikido Ohana; Head Instructor Alan Nagahisa and the officers, directors, guest instructors, successors and/or assigns for any and all liability occurring by or through my participation, or the participation of my child/children/ward(s).

It is my intention to release and fully indemnify from all liability the organizers and all other participants in the The Aikido Ohana to the maximum extent allowed under the public policy of the State of Hawaii. If any portion of this release would be determined to be invalid as to any type of liability, it is my intention that the release and indemnification should continue and remain in effect as to any conduct, circumstances, or risks that may be properly released, indemnified, or assumed by me under the public policy of the State of Hawaii.

I have read the above waiver and release and agree to its conditions.
